For independent claim 15, the prior art of record does not disclose or clearly suggest a fixing process comprising a fixing roller, a first heating zone biased toward the receiver, and a flow of heat exchange medium through the first heating zone in combination with the remaining limitations of the claim.

For independent claim 22, the prior art of record does not disclose or clearly suggest a fixing system comprising a fixing roller, a first heating zone biased toward the receiver, and the roller having a flow of heat exchange medium in combination with the remaining limitations of the claim.

Claims 23-27 are allowed due to their dependency on allowed claim 22.
